R.O.C.277E/47 dated 2-12-47.

Sir,

Sub:- Public Services - Communal representation in the Department of women's Welfare.

Ref:- G.O.Ms.No.3437 Public (Services) Department dated 21 st November 1947.

With reference to the Government order cited above I invite kind attention to this office R.O.C.No.39G/48, dated 30-9-47 (condition of service).

I submit that the rule relating to the Communal representation in public services cannot be applied too strictly in regard to the recruitment of the Women's Welfare Organisers as the nature of the work is such that when selecting persons emphasis is paid more to the fitness of the person for this special type of wor, which requires a love for social service rather than to the community to which she belongs. Even in this case, however, the communal rule will be applied and due representation of all communities will be kept in view as far as possible and every effort will be made to observe the rule relating to communal representation in public services in the appointments made in this Department by direct recruitment.
